Pinsa romana

Rimpizza är vår version av den romerska Pinsa, vårt sätt att servera en lättsmält Pinsa. Traditionellt tänk med hög hydrering och lång jäsnings, förstärkt genom en blandning av utvalda mjöl, varav många kommer från vårt territorium (Rieti, strax norr om Rom), och från vår moderjäst som går tillbaka till över tjugo år sedan.

Rimpizza is our version of the Roman Pinsa, our way of serving an easy-to-digest Pinsa. Traditional thinking with high hydration and long fermentation, enhanced by a blend of selected flours, many of which come from our territory (Rieti, just north of Rome), and from our mother yeast that dates back over twenty years.
